THE OPTICAL SOCIETY

About OSA Publications Meetings Membership Corporate Gateway Communities Foundatio

FIND OUT WHY MORE THAN 200 COMPANIES HAVE BECOME OSA CORPORATE MEMBERS

OSA
The Optical Society

More than 200 OSA Corporate Members utilize the OSA network, connecting their business with the people, information and companies leading today's optics and photonics industry. Join today to partner with OSA and connect to the growing network.

OPTICS INFOBASE

TOP DOWNLOADED ARTICLES

Open Access - Last 7 Days

- > [Matched-filtering generalized phase contrast...](#)
- > [Dual-frequency pattern scheme for high-speed 3-D...](#)
- > [Wave-guided optical waveguides](#)

Subscription Journals - Last 7 Days

- > [Review of three-dimensional holographic imaging...](#)
- > [High-power, hybrid Er: fiber/Tm: fiber frequency...](#)
- > [Photonic crystal fiber tip interferometer for...](#)
